JUDGE'S INTRODUCTION:

My name is Sam Whiting, owner of the Annilann affix. I have been involved with dogs for as long as I can remember, starting off in junior handling showing my mother's Irish setters, pointers and GSP's and a friend's English setters. I came to own my first Cocker Spaniel in the early 90's, that's where my love of the breed started. I have bred numerous junior warrant and stud book number winners as well as 3 home bred UK show champions, and an international champion. In 2016 my home bred girl SH CH Annilann Miss Sing JW won best of breed at Crufts, she has 43 CC's 10 RCC's & 22 BOB, she's also won RBIS at the Scottish Kennel Club Championship Show 2018, RBIS at Gundog Society of Wales Championship Show 2017 and is currently one of the top winning blue roan bitches of all time in the UK. She was top Cocker bitch in 2016 & 2017. In 2017 I also had the pleasure of being awarded top breeder, top puppy dog and top bitch. In 2018 SH CH Annilann Miss Zing JW gained Top Cocker puppy and 2nd top overall Gundog puppy in the UK. She was awarded RBPIS at Darlington Championship Show 2018, BPIS at The Cocker Spaniel Club of Great Britain 2018 and then went on to be awarded BIS in 2019, one of very few to ever do this, Best of breed with a group shortlist at Crufts 2020, reserve best in show at Manchester Championship Show 2020 and 3rd place at the overall Eukanuba Champions Contest 2020, she was top Gundog in 2020 before we went into lockdown. To date we have 89 CC's & numerous RCC's, 3 show champion Cocker Spaniels, 3 Show Champion Italian Spinoni and 1 champion Basset Hound under the Annilann affix, along with owning a show champion GSP.

I have been lucky enough to judge Cocker Spaniels and award top honours in some amazing countries including Finland, Sweden, the Czech Republic and Australia. I have awarded CC's in Cocker Spaniels 4 times, GSP's twice and Italian Spinone once. I'm passed to judge numerous Gundog breeds at champ show/club show level without CC's. But my love is for the Cocker Spaniel, I'm so fanatical about our wonderful breed in every aspect, when we're not in the show ring you can find me out in the field working with Gundog enthusiasts, or sat on the sofa with the dogs watching me crochet.

I just want to say thank you for inviting me, I'm truly honoured.

Lola, ik en Opti Life

Je hond en jij, jullie zijn kameraden,
kompanen die een leven delen.
Om jouw beestje kerngezond te
houden en jullie te laten genieten
van onbekommerde quality time,
ontwikkelden onze dierenartsen korrels
op basis van pure ingrediënten zoals kip,
zalm en rijst.

Zo voedt Opti Life de band tussen
honden en baasjes, elke dag
opnieuw.
